## Bass Pro Eclipse Camp Cot

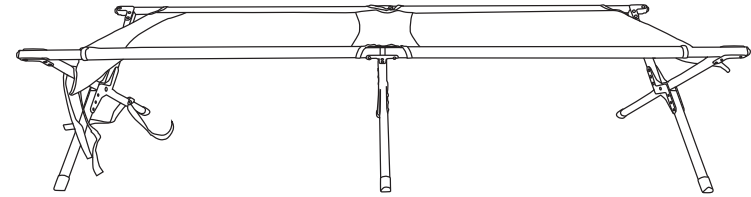

### STEP 1:

Remove the cot from carry bag.

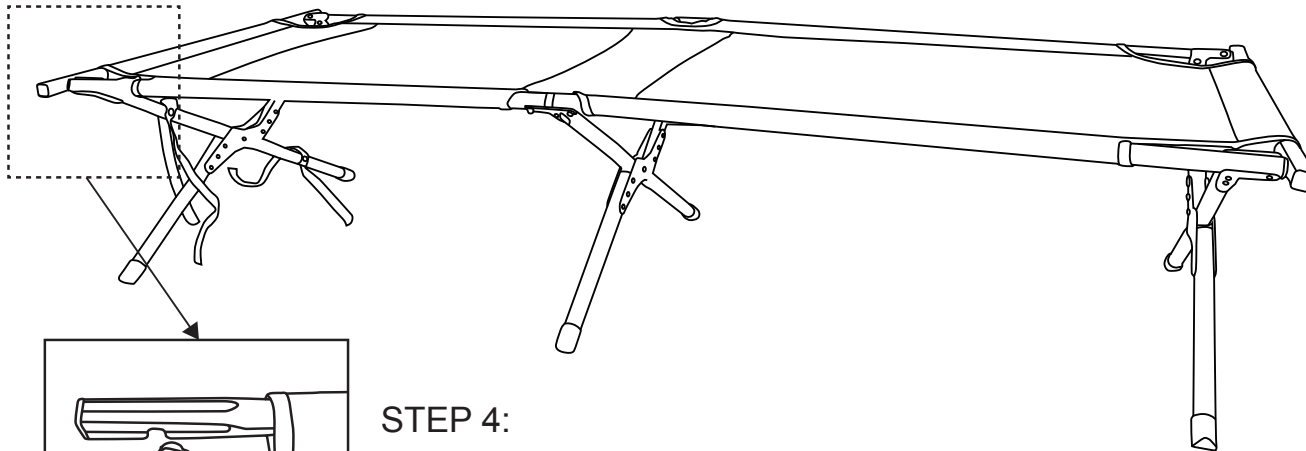

### STEP 2:

Unfold the legs of the cot as shown. Note that the legs on the ends will swivel out and rotate.

### STEP 3:

Pick up one side of the cot and it will naturally unfold to the position shown.

### STEP 4:

Insert one crossbar through the fabric sleeve at the foot of the cot. Insert the tabs on the ends of the cot frame into the holes on the crossbar. Repeat step for the head of the cot.

Hint: pull the fabric tight starting at the bottom and working towards the head before attaching the crossbar at the head of the cot.
